

Accessibility Statement for;

Burnsall VA Primary School

Access to the school site

On Foot

The school is approached by a sloping playground from the roadside footpath.

By motorised vehicles

There is no car park.

Cars have to park on the roadside.

NYCC transport mini buses and coaches also drop pupils off on the roadside footpath.

School site

The site is positioned on a hill.

The playground slopes towards the school which was built in 1602 and is Grade 2* listed in the National Park.

The school building can be accessed either through the main door or by walking around the side of the school and down a wide set of steps.

The downstairs teaching room is only partially accessible by wheel chair and the fire exit is not.

The downstairs hall is accessible by wheel chair and so are the toilets.

The upstairs classroom and library/collective worship area is accessible by a staggered set of stairs. There is no wheel chair access.

The intervention/SEN area is upstairs and is accessible by a wheelchair.

The staffroom, Head teacher's office and adult toilets are upstairs.

There are no soft 'withdrawal' rooms or spaces.

There is a disabled toilet.
