## A Note from Mrs. Morton Lee

---

Only a week to go till the end of term and the schools are showing what wonderful pupils they have. In the past week I've attended end of year shows and sports afternoons which have made my heart 'fit to burst' with joy. We are so lucky that our pupils are growing to be such good people, who can participate in activities beyond the classroom with a positive approach whilst enjoying themselves.

Thank you again to those who attended Grassington school's summer fete and Kettlewells big walk, not only did those participating have a good time but we raised funds for school

**Urgent Appeal—If any parent is willing to be employed at Grassington School as a breakfast club leader please contact Mrs Morton Lee.**

## Breakfast Club

---

Breakfast club - open to Burnsall children from 8 am until the start of the school day. Please contact school if interested. Please don't forget to send your money to pay for Breakfast club. This can be done weekly or half termly. As from September 2016 the cost for each session will be £3.50 to cover costs. Please can you let me know if your child/ren will be attending. Thank you

## News From Class 2

---

Once again we have had another busy week and we are now on our final push to the end of the term. This week in maths the children have been solving lots of problems involving penguins and polar bears. They have been putting their reasoning skills to the test and had to think very logically to be able to solve the challenges. In English the children have been creative, writing poems about seeing Antarctica for the first time. They thought carefully about the language they used and even managed to get in some similes, metaphors and personification. On Monday the Year 3 children attended a Cultural Day at Cracoe, where they tried their hand at cooking traditional Indian food and even tried their hand at Bollywood dancing. On Thursday the Year 5 children attended a refugee day at Upper Wharfedale which they really enjoyed. They found out about how hard it was to be a refugee and what their lives are like.

Well done to all the children for their amazing singing and acting skills in Wednesday's performance of 'Eddie the Penguin saves the World!' You all worked incredibly hard and should be very proud of yourselves. Thank you to all the parents, grandparents, family members and friends that attended. It was great to see so many of you there. Thank you very much for your extremely kind donations towards the outdoor equipment for the children. We managed to raise £232 which will go along way to help provide some more new and exciting equipment for the children to play with.

Finally a special mention to Erin, who found out her end of Key Stage Two SATs results this week. Erin has worked incredibly hard all year and her fantastic results were well deserved. Well done Erin, we are all extremely proud!

## News From Class 1

---

It has been another very busy week at Burnsall and this week was more exciting than most due to the fantastic performance of Eddie the Penguin Saves the world. I am sure you will agree that all of the children were brilliant and played their parts perfectly. It is always lovely to show how talented our children are and we have certainly got beautiful singers and budding actors amongst us! A huge thank you must also go to our wonderful audience, your generosity raised £232 for new outdoor equipment and the children have already worked together to draw up a wish list of new and exciting equipment. For the first time this year the children have been working together to earn marbles, these marbles buy them treat time and one of the treats they chose was to go den building on the school field. We took everything useful with us and have spent the morning creating elaborate dens. The children had a fantastic time and worked really well in small groups to build and then modify a den which could accommodate the whole group inside.

## Flu Vaccinations

This year the NHS team who make sure that the children in Years 1 and 3 have told us that, with the support of school staff and parents we have, across North Yorkshire and York collectively achieved over the national average of flu vaccinations. This is a great result thank you. Planning is already taking place for next year's vaccinations and we will advise you about the arrangements in due course. One major change for the next school year is that the consent process will be online. We will send this link once we have received it.
