BURNSALL VA PRIMARY SCHOOL

Friday News

A Note from Mrs. Morton Lee

Our schools have enjoyed a week of excitement again, with Rounder's tournament, visits to Grassington Festival events and a second stage Rugby tournament all of which had representation from the Federation. I would like to thank those who took part in the Rugby match, Grassington school did extremely well by coming third. I would also like to add a thanks to the parents who helped accompany our children to these events. Kettlewell did fantastic in the rounder's festival and for the first time in years they came joint FIRST with Boyle and Petyt, very well done Kettlewell you were all amazing.

With only four weeks left of this academic year the schools will continue to be a vibrant places. Please check your child's school bag to ensure that you receive all the letters which are being sent home and return the permission slips as quickly as possible.

Following a conversation I had with one Year 4 child who was wearing brightly coloured trainers to school and had informed his mum he could! I thought it might be helpful to reiterate that school uniform is required to be worn until the end of term. If year 6 pupils have had a recent growth spurt, then please try and find an the alternative garment/shoe which is in the school colour. Thank you

I hope you have a good weekend.

Breakfast Club

Breakfast club - open to Burnsall children from 8 am until the start of the school day. Please contact school if interested. Please don't forget to send your money to pay for Breakfast club. This can be done weekly or half termly. As from September 2016 the cost for each session will be £3.50 to cover costs. Please can you let me know if your child/ren will be attending. Thank you

News From Class 2

Class 2 have had another extremely busy week with lots going on. On Monday, the Year 3 children went to Ilkley Tennis Club, to play and watch some tennis. Despite the sweltering conditions, the children worked exceptionally hard at learning some new tennis and throughout the day where impeccably behaved. In our English and maths this work this week, we have started to write a letter to Ernest Shackleton to try and persuade him to take us on his journey to Antarctica and we have been practising key multiplication skills in maths. On Tuesday, the children attended their first rounder's tournament - in which they played extremely well. Mrs Willetts was extremely impressed with how much the children had improved and was impressed by their batting and fielding skills.

I was really impressed how well the children conducted themselves on Wednesday both on our walk and during the show at Grassington festival. The children enjoyed the marble hunt along the way (which Mrs Sandoe had set up for them) and they watched with amazement at the experiments that were put on by The One Shows resident scientist, Marty Jepsen at the festival.

We have another busy week next week with a trip on Tuesday and Tag Rugby on Thursday, please check that you have returned your slips for both these events.

News From Class 1

What busy weeks we are having here at Burnsall. The children are still working hard despite all the exciting thing which are going on in school. In maths this week the children have continued to work on multiplication skills and we have also taken the tally charts we created last week and made pictograms and bar charts. The children had a go at hand drawing different charts and then used their ICT skills to make some on the 2graph software. With i-pads and tablets becoming more popular both at home and in school we have noticed how tricky some of the children find using a mouse on a desk top computer. This being the case we are focusing some of our ICT sessions on mouse control.

The children did a fabulous job of walking to Grassington on Wednesday and Mrs Sandoe was very proud of how well even the youngest of children did. It is a real challenge walking all the way to Grassington but everyone just got on with it and arrived happy and ready for their well deserved packed lunch. The Puppet show in the afternoon was a great success and everyone had a lovely day.
