February 2018

BURNSALL VA PRIMARY SCHOOL

Friday News

A Note from Mrs. Morton Lee

This half term has gone very quickly and the children are needing their half term holiday next week. We look forward to them coming back to school on Monday 19th February. Can I ask that over the holiday you check that all your children's clothing is clearly labelled we have several items at all the sites which are nameless so can't be returned to their owners.

It was exciting to hear that the work Class 2 at Cracoe and Rylstone school have been doing with Dixons Music School, Bradford has been recognised as exemplary to the extent that the Department of Education want to visit the school. This is recognition of the commitment of both the staff and pupils to this 'Linking' project. I'm sure more news about this will follow shortly.

Breakfast Club

Breakfast club - open to Burnsall children from 8 am until the start of the school day. Please contact school if interested. Please don't forget to send your money to pay for Breakfast club. This can be done weekly or half termly. As from September 2017 the cost for each session will be £3.50 to cover costs. Please can you let me know if your child/ren will be attending. Thank you

News From Class 2

Well this half term just seems to have flown by! This week in maths the children have been working on fractions and decimals. They have been rounding decimals and finding fractions of amounts. Today, as it is Chinese New Year next week, the children have been looking at the Willow Pattern Story and were challenged to re-tell the story in 100 words. We may have had a few that just sneaked over the limit, but the children worked fantastically to think about what the key points of the story were. In art, the children have finished off their African inspired art creations, which look fantastic. I was particularly impressed with their creativity in creating their African Trophies. In Re, we have been looking at Islam and during the week the children took a virtual tour around a mosque. They learnt about what was inside and the routines of Muslims. They have also taken a closer look at the prayer mats that would be used and they have designed their own.

I hope you all have an enjoyable and restful half term break.

News From Class 1

How have we got to half term already? The children have had a busy week and are more than ready for a break. We have done lots of measuring of liquids and weighing ingredients in maths this week and the children made some delicious banana and chocolate chip muffins. In literacy we read a new story called The Journey and intend to use this as a way to start thinking about making boats after half term. Year 1 and Reception spent some time investigating the story of Rapunzel and turned a giant box into a castle to help them re-tell the story through roleplay. In music the children continued to look at Going on a Bear Hunt and created some lovely pieces of music using variety of instruments.

We hope you all have a lovely half term.
